

Hello Lakewood Ranch Band Family

I don't have any new developments to report since last week's Family Meeting - there is a lot of work happening this week amongst county agencies to determine the WHEN and the HOW of a safe return to school. Unfortunately, our guidance department will be tasked with creating 3 master schedules to accommodate the options presented to our families. It's still a waiting game.

In order to assure your safety and to minimize the threat of transmission, I have pledged our cooperation to Mr. Dahlquist at this trying time.

1. **We will not gather on the campus until there is a phase announcement allowing us to conduct band activities as a full group with the assistance of staff and our parent volunteers. That means NO in person Band Camp Activities until I announce them.**
2. Our Class of 2020 Seniors will **graduate** at 9pm at beautiful Lecom Park in downtown Bradenton! Congratulations Mustang Band Seniors. We love and miss you!!!
3. **Marching Band Students** - I will post results for our Color Guard, Woodwind, Brass and Percussion placements tomorrow on Schoology! Thank you to everyone that participated in our extensive process.
4. **Please Support the LRHS Bands Mask FUNdraiser!**
As the School Board continues to develop options for a safe return to school, we want to help you show your school spirit with an **LR band mask!** Masks are \$10, and you can choose White or Gray. Masks can be purchased at [Life Pharmacy Lakewood Ranch](#) and proceeds will go to help support our band kids!
5. **We will NOT have 4 days of Band Camp this week!** For all students looking to add work hours or for families looking to add activities, I would like to announce that we will have ONE Virtual rehearsal this week, **Tuesday from 6-9pm** for ALL members of the MMB. We will work on our traditional tunes in the new part assignments!
6. Announcements regarding subsequent weeks will come once decisions have been made to safely return to the Lakewood Ranch campus.
