

# Lakewood Ranch Marching Mustangs Sponsorship 2021-22 Season

The Award Winning Bands of Lakewood Ranch High School have performed all over the State of Florida & across the country! This group of dedicated young musicians are hard at work to make this the best year yet. We are currently seeking sponsors as we gear up for our 2021-2022 music season. Your contribution can help keep this program operating by equipping and encouraging the band students to pursue the next level of excellence.

Our band annually competes in the Florida Band Masters Association and the Florida Marching Band Coalition. We perform throughout the community and participate in multiple parades throughout the year, including at least six performances open to the community to attend at the school during the upcoming school year. By becoming a Mustang Band Sponsor your company advertisement will travel throughout the community and the nation with our band at any performance the Lakewood Ranch High School Bands participate in. We also have a great following on social media and will promote your company across all platforms.

Thank you for your consideration,

**Go Mustangs!**
